

ASHLIE CORCORAN  
ARTISTIC DIRECTOR

**The Artistic Director's Circle (ADC) has grown from a handful of devoted theatre-goers to a community of advocates who are at the very heart of the Arts Club!**

Our ADC members provide the support needed to nurture and grow theatre. When you become a member, you make a true impact at the Arts Club. Your gift develops new Canadian work, offers youth and education initiatives, and produces the best in live theatre.

I invite you to play your part!

My sincerest thanks,

Ashlie Corcoran  
Artistic Director

**TAKE YOUR SUPPORT TO THE NEXT LEVEL**

**COMMUNITY IMPACT GIFT \$1,500-\$2,999**

Gifts at this level expand our youth and education initiatives, helping us reach local communities. The Arts Club is dedicated to providing access to theatre through programs such as the LEAP Playwriting Intensive, Musical Theatre Intensive, Creative Teens, and subsidized ticketing.

Invest in the future of theatre—and see firsthand the opportunities that your **Community Impact** gift can create for young people.

**INNOVATION GIFT \$3,000-\$5,999**

The Arts Club's greatest strength as a company has been our vivid local identity. You, too, can play a significant role in nurturing new voices in our community.

Gifts at the **Innovation** level provide funding for workshops and readings of brand-new plays. Supporters like you have helped premiere over 100 new Canadian productions—and we have many more stories to tell!

**TRANSFORMATIONAL GIFT \$6,000-\$9,999**

Fuel change with a **Transformational** gift. You will deepen our existing programs and provide funding to pilot initiatives of which we have only dreamed.

As a champion of the Arts Club, you'll be supporting one of the most vibrant, energetic, and diverse theatre companies in Canada. Together we can produce the best theatrical experiences for all.
