April 9, 2018 | Vancouver Convention Centre East SILENT AUCTION DONATION

The Arts Club Theatre Company is thrilled to partner with the Wine Institute of California once again to host Vancouver's California Wine Fair! We are currently seeking items for the silent auction fundraiser at this year's event. The silent auction has been incredibly successful in years past, featuring distinctive items and memorable experiences such as a beautiful piece of jewelry, romantic dinners, or exciting excursions. Please consider supporting us by donating your own unique and exclusive items! As a thank you, we are able to offer the benefits and marketing exposure listed below.

BENEFITS AND RECOGNITION

With your generous donation, we would like to offer name recognition on the Arts Club's California Wine Fair webpage, item listing in the silent auction package that will be emailed to ticket holders prior to the event, representation in the silent auction event display, and a charitable tax receipt*.

* Due to CRA legislation, intangible items such as donated services or gift certificates are not eligible to receive a tax receipt.
