VANCOUVER, B.C.—The largest tasting tour of California wines in Canada kicks off a nationwide tour at the Arts Club Theatre Company's annual fundraiser.

The **California Wine Fair Fundraiser** is the Arts Club's all-inclusive, social tasting event where wine lovers will have a unique opportunity to sample exquisite selections from the Golden State. This year's event boasts a selection of over 400 wines from 150 of California's top wineries. It's an exclusive opportunity to savour the **Napa Valley, Humboldt County, Santa Clara Valley**, and more, all without leaving the city. With California producing over 90% of U.S. wine, this is a great way to sample the best from our neighbours in the south.

The fundraiser will also include a silent auction, featuring wines only available in California: **St. Supéry Estate Vineyards, Heitz Wine Cellars, and Treasury Wine Estates**. Attendees will also have the opportunity to bid on over 30 auction packages, including weekend getaways and more.

For more than 50 years, the Arts Club has played a strong role in sustaining live theatre in the community, thanks in part to events like the California Wine Fair. All proceeds from the event will support Arts Club productions, youth and education initiatives, and new play development programs.

The California Wine Fair is in partnership with California Wines in Canada. Must be 19+ to attend.
