Creating great theatre takes more than the artists you see onstage. It takes the help of patrons like you, who are devoted believers in the power of the arts. Ticket sales alone do not fully cover the cost of realizing a transformative theatrical experience. With your support, we can continue to produce stellar theatre and build a vibrant artistic community.

YOUR DONATION HELPS:

- Support the quality of Arts Club productions at all three of our stages
- Kick-start the development of new plays by local artists
- Spark and fuel the creative energy of emerging playwrights and artists
- Foster a love of theatre in youth
- Carry our shows even further with the Arts Club On Tour
