## Engagement & Events Associate

Deadline: Open until filled

---

We're looking for our next Engagement & Events Associate, and we're hoping that person is you! With a return to theatre on our three stages, now is an exciting time to join our growing company!

### About Us

The Arts Club Theatre Company is Canada's largest year-round not-for-profit theatre company. Now in our 59th season, the Arts Club offers the best in professional theatre and has staged over 630 productions. Arts Club is grateful to have our offices, rehearsal halls, workshops, and theatres on the unceded, ancestral and traditional shared lands of the xʷməθkʷəy̅əm (Musqueam), Skwxwú7mesh (Squamish), and Səl̓ílwətaʔ/Selilwitulh (Tsleil-Waututh) Nations.

We are British Columbia's largest non-profit cultural employer- hiring more than 500 artists, staff, and crew to stage up to 20 shows annually. We educate and cultivate students and theatre lovers of all ages—over 2,500 people engage in our education and professional development programs annually. We support artists and other arts organizations through professional engagement activities, believing firmly that an investment in the industry benefits all. We are a major economic driver in the areas surrounding our venues—our theatres attract a quarter million theatre patrons to dine and shop in the South Granville, Olympic Village, and Granville Island neighbourhoods.

### Our Vision

A community that, through storytelling, is inspired to reflect on who we are and who we can be.

### Our Mission

To inspire and nurture artists and audiences through cultural experiences that are engaging, thought-provoking, and artistically innovative.

### Our Values

**Determination** We have the drive to continue to move forward, with a respectful nod to our tenacious past and a fearless embrace of our future. It is through this forward momentum that we ensure we are the artistic leaders of our community.

**Curiosity** We have a strong desire to know more; about ourselves, our art, and our patrons. This spirit is reflected in our willingness to make room for diversity of thought. This exploration of different viewpoints and ideas is reflected in our engagement with each other, with our art, our peers, and our community.

**Creativity** We use our imaginations to explore our artistic practice and champion innovation in all the work that we do. We believe in the depth of our local talent and use our resources to showcase it.

**Comradery** We interact with each other with good-fellowship and levity. Our spirit of generosity and warmth is seen in our empathy towards each other, our artists, our patrons, and our community. This allows us to embrace differences and makes us stronger.

**Safety** The health and well-being of each other and our community informs our work and creates a safe, inviting, and inclusive space for all who enter and interact with us. We commit to constantly review our practices to ensure they are anti-racist and non-discriminatory. We are fiercely dedicated to being an organization that continually respects, champions, and uplifts underrepresented voices in all jobs.
